Wearing a facial covering/non-medical mask in the community has not been proven to protect the person wearing it and is not a substitute for physical distancing and hand washing. However, it can be an additional measure you can take to protect others around you, even if you have no symptoms. Fabric facemasks are NOT considered medical devices and have NOT been manufactured by a company that holds a Medical Device Establishment License(MDEL). These are NOT direct substitutes for N95, surgical, or procedural masks and are NOT FDA approved.
